TRINITY COLLEGE LIBRARY  
HARTFORD, CONNECTICUT

A college education is not a quantitative body of memorized knowledge salted away in a card file. It is a taste for knowledge, a taste for philosophy, if you will, a capacity to explore, to question, to perceive relationships between fields of knowledge and experience.

## Racism at Trinity?

Once again we the blacks at Trinity College feel the necessity of posing this question. We must ask the administrators, faculty and our fellow students for your answers. Your answers will dictate the nature of race relations here at Trinity. Very clearly some of your actions this year imply that racism is alive and well and will remain so, but at what cost?

This semester the Black community has been subjected to at least two unprovoked verbal attacks and one young lady physically assaulted with a snowball and then subjected to racial insults. Even on a more basic level, a certain percentage of our fellow white students generally show very little respect for Blacks — be they administrators, faculty, students or what have you. We want the majority community here at Trinity to understand that an attack on one of us is an attack on all of us, and we will not tolerate racially motivated action against us. We demand respect on the basis of our humanism. It is not that sick minority of students who have blatant racist attitudes toward us, that we address, because they have already answered the question. It is the rest of you, the great silent majority that we address, for in your silence and in the face of racist acts by your fellow white students, your quiet indifference gives tacit approval! For if you are not a part of the solution, then you are a part of the problem.

Those blacks before us; who made untold sacrifices, who were struggling for the right to have an education, who were jailed, beaten, expelled, and murdered so that future generations could have opportunities never afforded them, haven't done so in vain! For we will not go to school in fear, and shouldn't have to go to school in anger. The fear, anger and general dissatisfaction will continue to persist until this college comes to grips with the most fundamental problem of modern American Society — discrimination based on the color of one's skin. To quote one Black educator:

"It is no exaggeration, however, to state that if the University, the self-proclaimed repository of conscience is incapable of resolving racial

conflict, then there is little hope that the society at large will be able to do so. If hatred of Black people is so deeply implanted into the psyche of White Americans that is irrevocably determines the attitudes of the educators and educated, then one can have little hope for the future of civilization."

We, the Black students, feel that as an institution Trinity College has contributed toward the manifestation of racism. Trinity is guilty of hypocrisy of the highest order. In its rhetoric over the years there has been a claim of desire to increase the number of minority students, yet over the last few years our numbers have decreased by at least forty percent. There are few Black faculty and fewer Black administrators. There are hardly any blacks even in those jobs which have traditionally been available to blacks (i.e. custodial, secretarial, food services, etc.)

We ask then that Trinity College at least begin to create an atmosphere that is conducive to our survival here. At least make it clear that administratively any attacks will not be tolerated be they verbal or physical. We lay our case before you. Will there be peace and progress, or turmoil, ignorance and racism? Your actions will determine our reaction for we will not stand by and watch the situation deteriorate further. Your action or inactions clearly will dictate, which way racism will go at Trinity College.

Sincerely,  
Members of the Trinity Coalition of Blacks

On Nov. 18, 1978, 23 men were trapped in one of the worst accidents in the history of Trinity College--the Ogilby Mining Disaster. Unfortunately, everyone survived.

the sporting life

over the  
summer

Trinity Crew travelled to  
the Royal Regatta at Henley.

then in the fall

they continued their successful ways.

# fall

was an incredible season, highlighted by

## undefeated varsity field hockey

led by Captain Frances "Spit" Dobbin, MVP Kathy Crawford, high-scorer Dottie Bundy, and career asst. leader Susie Saltonstall.

Their 9-0-1 record was the best ever for a Trinity Field Hockey Team

The highlight was the clash of the unbeaten squads: 7-0 Wesleyan vs. 8-0 Trinity. On a rain-drenched Bantam field the Trinity women won the day. Record-setting goalie Anne Warner made some memorable saves.

A tie with Holyoke closed out an awesome season by an awesomer team.

# trinity football new england small college champions: 7-1

Trinity dominated Wesleyan 43-10.

All N.E. running back John Flynn (l.).  
All N.E. QB Mike Foye and All N.E.  
center Tom Johnson (r.).

The leadership of Captain John Flynn was a catalyst to the team's success.

The Trinity defense, directed by All-N.E. Joe Delano, did fine work.

Pat McNamara: All-NE, All-East, All-American.

NE Small College Coach of the Year: Don Miller.

# women's varsity tennis

9-1

## conn. state champs

led by all-time Trinity record holders Sue Levin, Muffy Rogers, and Wendy Jennings.

## waterpolo 20-5

Finest season ever: Third in N.E., Sixth in the East.

The team was led by the All-N.E., All-East pair of Kent Reilly and Rob Calgi. Reilly was Hon. Mention All-American his junior year.

Goalie Fritz Eberle

The Women's Soccer Squad completed their first intercollegiate season with a 1-2 record.

For the Cross-Country Team it was their winningest season in history, and their most successful campaign in a decade. Led by Captain John Sandman, with the likes of Alex Magoun, Bob Williams, and Robert Robles, they survived an early season slump to take their final seven meets in a row.

MVP goalie Tom Adil

Paul Pieszak and Peyton Fleming were the Men's Varsity Soccer Co-Captains.

Robie Shults' Bantam booters upset playoff-bound Wesleyan 2-1 to cap an otherwise disappointing season.

## 12-2 women's squash

Marion DeWitt (l.) and Muffy Rogers (r.) were the stars of a powerful team featuring a strong senior contingent.

## men's squash

The comeback of injured Captain Andy Storch and the fine play of number one Page Lansdale highlighted a fine Men's Squash season.

Ted Walkowicz was the MVP for Trinity's finest hockey season.

Bob Plumb's hot scoring contributed immeasurably to Trinity's Playoff berth and runner-up finish in the ECAC Division III. Below the Tri-Captains Walkowicz, Brickley, and Peter Lawson-Johnston, accept the victor's trophy at the Wesleyan Tournament. L-J won the Williams Cup for outstanding leadership.

George Brickley won the Gold Stick Award for his record-shattering scoring on the season. His 79 points will be hard to beat.

Brickley notched his 100th career goal in sub-zero weather at UConn. His 113 career tallies is also a Bantam record.

A hardy band of seniors did stellar work throughout the 1979 season.

Above Sam Gray performs superbly in his final Trinity campaign. Below Clint Brown receives the Coach's Award for his meritorious contribution to Bantam Hockey, from Trinity's Head Coach John Dunham.

Still, enough seasoned veterans will be returning to make Trinity remain a winner.

Chet McPhee took over the coaching reins and inspired a Renaissance in Men's Swimming at Trinity.

Co-Captain Hinton and Reilly led the Bantams to their best record in ten years. The Freestyle Relay team of Rich Katzman, Rob Calgi, Mike Hinton, and Kent Reilly were named Hon. Mention All-New England.

Chet's Chicks completed their first Varsity season, highlighted by the All-New England performance of Breaststroker Denise Jones.

A blend of youth and experience powered the Women's Basketball Team to their best record ever.

Co-Captains Sue Levin and Cindy Higgins led the team. Higgins set a host of Bantam scoring records for both game and single season.

The winter's most memorable moment: Co-Captain Willie Rosshirt passing the ball to Co-Captain Dave Whalen, and Whalen sinking the shot to give Trinity a one-point win over Tufts at the OT buzzer.

Powerful freshmen like Roger Coutu, MVP Carl Rapp, and Foul-Shooting champ Jim Callahan were featured in the Men's Basketball season.

## national small college rowing champions: trinity college

Trinity's triumph at the Dad Vail Regatta was highlighted by the Gold Medalist Freshman Lightweight Eight, and the breathtaking photo-finish of the Varsity Heavies in their semi-final heat.

But it took some long, hard work to get there,

and some fine performances by several different boats, especially the unbeaten Women's Varsity.

Mongo

Above the Varsity Heavies accept the championship trophy from the annual Mason-Downs race. Below the Women Novices display their Dad Vail medals.

Goalie Peter Lawson-Johnston was MVP of the 8-1 Men's Varsity Lacrosse Team,

and Peter Duncan the Most Improved.

Scott Growney was the high scorer.

Post-season honors abounded for the Bantams. The team made the playoffs. L-J, Coach Mike Darr, and Co-Captains Clint Brown and Greg Carey all participated in an All-Star game. Brown and Carey, the most potent offensive combination in Trinity history, along with L-J and Bob Plumb, made the Division All-Star selections.

Anne Madarasz was stalwart in goal for Trinity.

Captain Frances "Spit" Dobbin led the Women's Varsity Lacrosse Team to an outstanding 8-1-1 season.

Carter Wurts and Dottie Bundy were the high-scorers. Wurts set a host of Trinity soccer records, including notching her 100th career goal vs. Mt. Holyoke.

## varsity golf 1979

men's varsity  
tennis 1979

There was Rugby action on the Summit, as the Bantams battled through a successful season.

In Softball, despite a hard-fought game, the Cuning Linguists lost the Intramural final to Psi U. Uranus won the overall intramural competition.

Trinity's Robin Sheppard was named to an All-N.E. berth for her performance with Hartford's Wild Roses.

## track 1979

Coach Rick Hazelton guided the Bantam track stars. Co-Captain and MVP Jeff Mather qualified for the Division II Nationals with his discus prowess.

In Women's Track Kathy Schlein (l.) and Lanier Drew (previous page) were outstanding in the running events.

# baseball bantam

The seniors were Middleton Trophy winner Paul Pieszak and Captain and MVP first baseman Joe LoRusso.

Freshmen like slugger Steve Guglielmo and pitcher John Valenica gave the program a breath of promise.

ERA leader Bill Lynch and batting champion Bob Almquist were named Co-Captains for 1980.

## women's softball

The Women's Softball season was paced by the record-setting infield of Carol McKenzie, Lorraine deLabry, and Sarah Parran,

a .326 team batting average led by slugging shortstop Tracy Partridge,

the stalwart battery of Minnie Mahoney and Jan Kunin, the inspiration of acting Coach Bob Slaughter,

and the heads-up play of outfielders Ellen Grossman, Polly Lavery, and Barb Sherman.

The annual 24-Hour Marathon, this spring run in the hottest weather on record, was an overwhelming success.

THE 1979 ATHLETIC AWARD WINNERS —

# parting shots

They scream your name at night in the street  
Your graduation gown lies in rags at their feet  
And in the lonely cool before the dawn  
You hear their engines roaring on  
But when you get to the porch they're gone  
On the wind, so Mary climb in  
It's a town full of losers  
And I'm pulling out of here to win.

Publication of the IVY is made possible, in large part, by the support of our patrons and advertisers. Trinity students spend hundreds of thousands of dollars each year in the Hartford community for goods, services, and entertainment. On the following pages are the merchants and establishments who show their appreciation to Trinity, by supporting student activities such as the IVY. These are by no means the only firms that profit from Trinity, but these are the people who are willing to financially support our student projects, to show their good will and their thanks to the Trinity students. We hope you will continue to favor them with your business.

# the last page

Several people were instrumental in converting the 1979 ivy from fiction to fact. For their time and energy a number of them deserve special thanks.

Of all who helped, *Alice O'Connor* merits particular recognition. She singlehandedly put together the senior/faculty section and helped to determine the direction and content of the book. Her sensibility and experience was a moderating influence on me. I really do not think that the book would have been finished on time had it not been for her. She is a good dancer too.

*Peter Wilson* is another person who deserves credit. Against his better judgement he took the task of managing a photography staff that varied in size from day to day. Much of his time was spent in the darkroom developing the shots of others. The contributions of *Earl Gardner*, *Jim Hagan*, *Sam Gray*, *Jon Lester*, *George Young*, *George Griswald*, and *Bob Becherer* in photography were especially outstanding.

*Nick Noble*, when not on the prowl, was assembling a mass of material for the sports section. His performance was, by any standards, awesome. He in turn has particular thanks for *Kathy Frederick* and the *News Bureau*, *Randy Pearsall*, and the staff of the *Tripod*.

*Sarah McCormick* paid our bills on time, to the relief of the rest of the staff and our creditors. *Betsy Gildersleeve*

helped out in the fall.

*Dede Faulkner* suggested a variety of ideas for the divider sections. *Martha McCarthy*, *Andy Castelle*, *Nathalie Reverdin*, and *Tom Gerke* were very helpful in laying out the book in its final stages. Tom deserves particular credit; besides getting the various advertisers to "buy a piece" of the ivy, he stayed to help me complete the book after everyone else had left for the summer.

Other accolades go to *Joe Garaci* for his photos of "Jones Beach," *Harold Vaughan*, *Central Services*, and *Wayne Asmus*. I must also again mention the *Tripod*, giving my personal thanks to the two Editors — *Seth Price* and *Andrew Walsh* for the advertising space, photographs, and the permission to reprint the TCB letter. Their typewriters were quite useful; being electric.

Lastly, I must thank *Jim Findley*, for all the time and help he lent us. I will never forget our Corner Tap sessions.

Everyone has a different memory of their college years. Any attempt at a summation of those years on the last page of this book would not only be foolish, but somewhat redundant as well. Hopefully, the preceding pages have come fairly close to doing so. Maybe that and helping to bring some to the realization that the place to go to was Trinity.
